

EU DECLARATION OF CONFORMITY

This declaration of conformity is issued under the sole responsibility of the manufacturer:

APATOR METRA s.r.o.
Havlíčková 919/24, 787 01 Šumperk
Česká republika
IČO 268 34 073, DIČ CZ268 34 073

Central reading system AMR 40, which is used for wireless reading of data, their processing, storage and further transfer to a PC via the Internet.

The subject of the declaration is in compliance with the relevant harmonised legislation of the European Union: 2014/53/EU.

Device is marked with the **CE** mark.

Quality system certified according to ČSN EN ISO 9001 ensures compliance of all devices with technical documentation and the basic requirements.

Frequency band: 868,0 ÷ 868,6 MHz
868,7 ÷ 869,2 MHz
Communication modem: 4G (LTE), 3G, 2G
Modulation type: GFSK

Harmonised standards and technical specifications on the basis of which conformity is declared:

ETSI EN 300 220-1 V3.1.1 (2017-02),
ETSI EN 300 220-1 V3.2.1 (2018-06),
ETSI EN 301 489-1 – V2.2.3.,
ETSI EN 301 489-3 – V2.3.2.,
ETSI EN 301 489-3 – V3.2.4.,
EN IEC 62368 – 1:2020 + A11:2020

Protocols of CMI Brno, test laboratory TESTCOM Prague no. 8551-PT-B0225-23;
no. 8551-PT-E0225-23; no. 8551-PT-R0150-24; no. 8551-PT-R0151-24 were used for conformity assessment.

The conformity assessment is documented by a set of technical documentation stored at the manufacturer: drawing documentation, bill of materials no. 034-03158-0100 (Gate PoE), no. 034-03158-0200 (Gate DC 5V), no. 034-03159-0000 (Repeater).
